

## CERTIFICATE

This is to certify that the Maple Syrup brands distributed by PANEX CANADA TRADING Co. Toronto, Canada, are 100% natural/pure, and free of any preservatives or additives such as Benzonic Acid or Sorbic Acid. The different Maple Syrup brands are manufactured in the province of New Brunswick and/or Quebec under the Federal Licensed Packaging Plant Act, "food products" for domestic and exporting purposes. The manufacturing plant establishments are registered with and inspected by Agriculture Canada under the Canada Agricultural Products Act, and Maple Products Regulations. Registration numbers: New Brunswick Plant: 3376; Quebec Plant: 3004. These registered establishments comply with the Canadian Federal Sanitation and Health requirements and produce - Maple Products - which is completely safe for human consumption.

### ANALYTICAL CHEMISTRY LABORATORY REPORT CHEMICAL COMPOSITION

	<u>100% natural/pure</u>	<u>100% natural/pure</u>	<u>100% natural/pure</u>
Total solids (%)	66.5	3/ Organic Acids (mg/l)	5/ Minerals (P.P.M.)
Water (%)	33.5	Malic	Potassium
Calories (Kj-cal/100g)	252	Citric	Calcium
1/ Carbohydrates (%)	62-65	Succinic	Magnesium
Sucrose	0.5-3	Fumaric	Manganese
Hexoses (glucose, fructose)	1.2-6.8	4/ Vitamins (mg/l)	Sodium
Invert sugar	Trace	Niacin (99)	Phosphore
Other sugars	Trace	Ribothlenic A. (85)	Iron
2/ Amino Acids (P.P.M.)	30-190	Riboflavin (82)	Copper
Amino nitrogens	300-960	Folic Acid	Tin
Phenols		Pyridoxine (86)	Lead
		Traces	0-1.4
